

# AGROFORESTRY ACADEMY

July 22 - 27, 2018 | Columbia, Missouri

## What is the Agroforestry Academy?

A week-long training that includes integrated classroom workshops, multiple on-farm visits, hands-on demonstrations and content integration into practical on-farm agroforestry planning and design to advance adoption of agroforestry as a cornerstone of productive land use.

## Tell me more

**Agroforestry** is a **land management approach** that provides opportunities to combine **productivity and profitability** with environmental stewardship, resulting in healthy and sustainable agricultural systems that can be passed on to future generations.

## Who will Benefit?

- ◆ **Educators** (natural resource professionals, extension agents...)
- ◆ **Farmers**, including beginning and military veteran farmers.

Advanced training will be provided on the main temperate zone agroforestry practices integrated with options for bioenergy, marketing, economic, social dimensions, and environmental services.

## Trainers

Experienced trainers will be drawn from the MU Center for Agroforestry, USDA National Agroforestry Center, Extension and NRCS agroforestry specialists, other selected experts from the US and Canada, farmer educators and agroforestry practitioners.

## Resources

The Agroforestry Academy link on the Center's website contains the 2015 edition of the UMCA Training Manual and the Handbook for Agroforestry Planning and Design which will serve as the foundational tools for the Academy.

In addition, the Academy web pages ([www.centerforagroforestry.org/academy/](http://www.centerforagroforestry.org/academy/)) contain a wealth of additional information and resources from past academies.

## REGISTRATION

### FULL REGISTRATION:

\$1,000/person (includes lodging, food, local travel and all training materials)

*Scholarships available for Socially Disadvantaged and Veteran farmers*

Please register by **May 25, 2018**

**HOW TO REGISTER?** Please submit:

- ◆ Registration (name, organization, address, phone number and email), and
- ◆ Payment (total attending number, total payment) *make checks payable to the University of Missouri*

# AGROFORESTRY ACADEMY

July 22 - 27, 2018 | Columbia, Missouri

## PROGRAM SYLLABUS

The Agroforestry Academy consists of classroom presentations, in-field site visits and case studies, hands-on participation in demonstrations, and group discussions. Attendees will also participate in preparing an Agroforestry design for one of the in-field case study sites. Below is an outline of subjects that will be covered during the Academy.

### I. Agroforestry Planning Design Principles

### II. Biophysical Dimensions

A. Basic Practices of  
Agroforestry: *Alley  
Cropping, Forest Farming,  
Forest Buffers, Silvopasture  
and Windbreaks*

B. Other  
Applications:  
*Wildlife, Biomass,  
Climate Change,  
Beekeeping and  
Pollinators*

### III. Socio-Economic Dimensions: Economics, Policy and Marketing

A. SWOT, Five  
Forces Model,  
Financial  
Decision Tools

B. Cost  
Share  
Programs

C. Markets and  
Marketing: *Tree  
Crops, Specialty  
Crops and Biomass*

### IV. Hands-On Applications and Techniques

### V. Case Study Design Exercise

### Participant Testimonials:

"When they talked about agroforestry and introduced us to these practices, it really struck me. I thought this could be the unifying concept for our farm."

**Comadora "Butch" Ferguson**  
Richland, MO

**Chris DeJoe**  
St. Louis, MO

"The academy was highly beneficial."

"This was super exciting. It was a great place to connect with people and network. It was great to get that motivation. It was really positive."

**Kalina Velez**  
Thunder Bay,  
Ontario, Canada
