

Horticulture and Agroforestry Research Center

FIELD DAY 2014

Saturday, Oct. 4, 2014

9 a.m.-2 p.m.

10 Research Center Road
New Franklin, MO 65274

660-848-2268
BishopN@missouri.edu
harc.cafnr.org

Field Day 2014 includes

Tour topics:

- Specialty crop production (chestnut, black walnut, pecan, grapes)
- Silvopasture
- Flood tolerance trials
- Biofuel trials
- Pine straw production
- Commercial chestnut harvester demonstration

Tours of one of Missouri's oldest brick homes, the Thomas Hickman House.

Lunch will be served; RSVP appreciated in advance.

Directions

From Columbia: From U.S. Hwy 40 East, take MO Hwy 5 north into New Franklin. Continue on Hwy 5 approximately 0.4 miles past the main intersection. Turn left at New Franklin High School. Turn right into research center.

From Kansas City: Take Boonville Exit 101 (Hwy 40/Hwy 5) north. Stay on Hwy 40/5 through Boonville (*becomes Main St. in downtown Boonville*) across the Missouri River. In less than 1 mile, turn left onto Hwy 5, then left at New Franklin High School. Turn right into research center.
